Subject: Inclusion of Nulagi Foliar Spray in the Fertiliser Control Order, 1985.

Sir,

I am directed to refer to your letter dated 11.7.2014 on the subject cited above and to say that your proposal has been referred to Technical Committee on 20.5.2015. The committee recommended that the product cannot be considered for inclusion as fertiliser under the Fertiliser control Order, 1985 since it does not fulfill the definition of fertiliser. The recommendation of the committee was accepted by the Central Fertiliser Committee in its 48th meeting of CFC. This is for your kind information.
